MANILLA, July 2 .- 6.25 p. m .-Prof. J. G. Schurman, of the United States advisory commission for the Philippines returned to Manila today from a three weeks' tour of the southern islands. He takes an entirely hopeful view of the general condition there. The intelligent and substantial citizens desire an American protectorate. The masses are awaiting the settlement of the war in the island of Luzon before declaring themselves. They are chiefly anxious to be undisturbed.
